

## JADE News 13 - 2017 Beverage Equipment

Hello Beverage Professional

JADE Team is sending you warm seasonal greetings and our best wishes for year 2018. We are looking for serving you also in next year with high quality machinery and professional approach.

We have refreshed our web page – worth checking via this link: [www.indmachinery.com](http://www.indmachinery.com) Your comments are very much appreciated.

We have some machinery to which we are hurrying to find a new location. Naturally they are priced for sale! Check these opportunities and contact us for more details.

### LATEST JADE DEALS

JADE has two new customers, German fast growing bottler Driek & Co who bought from JADE a large Krones tunnel pasteurizer for cans and Albanian ALFA S.A who contracted Procomac made aseptic PET filling line recently. Our long-term customer Barnaul Brewery also bought a KHS beer KEG filling line from JADE. We appreciate these deals – sincere thank you to these customers!
