

JADE News 6 - 2019 Beverage Equipment

Dear Beverage Professional

It is time to start thinking how to improve your production equipment for next season. In order to serve you well, JADE has slashed prices for a large number of equipment. In this JADE News we are introducing several main equipment which are available for this campaign. For these ones you are welcomed to make your purchase offer or ask our offer. In addition to these we have plenty of other quality equipment, just click this link to our pages – www.jade.fi

We welcome you to join our LinkedIn page where we are keeping our followers very updated about our offers and activities. [JADE Trading in LinkedIn](#)

Recent deals

We like to say special thanks to our new customer Fruittiland Limited from Ghana. They bought from us an Aseptic Elopak Line which will be in operation still in this year

Give us a call or send an email - Cheers!
