## JADE News 10-2019 Beverage

Dear Beverage Professional

After a busy season it is time to take a breath and get ready for next season. Today JADE has more high-quality beer and beverage equipment available than ever. In this newsletter we can only scratch the surface, therefore I strongly advice deep study of our web base [www.jade.fi](http://www.jade.fi)

It is also time to say season greetings to all of you, our appreciated subscribers. We will continue to serve you with increasing dignity and enthusiasm and even improve our value-for-you equipment.

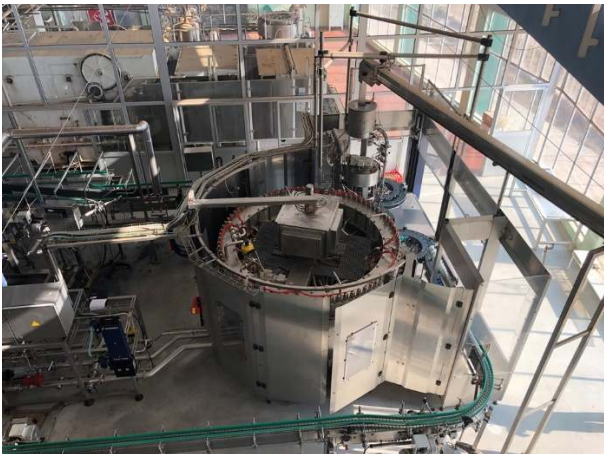

Happy and Healthy New Year 2020 wishes from JADE Team

Jari
