JADE News 1-2020 Brewery 2 M hl For Sale

Dear Beverage Professional

JADE has a complete modern 2 Million hectoliters brewery equipment for sale. The brewery was built in year 2002 and new equipment was added till 2013. The production capacity is 560 hl/brew, 12 brews / day and production was stopped in 2014 but all equipment is still maintained and powered. The main equipment is made by Huppmann, Kunzel, Kronez, Steinecker, Filtrox etc. This is a real opportunity to any brewery and beverage company who is planning to increase the capacity or replace any process in your plant.

Underneath are links to main equipment specification in our web page but we have complete brewery for sale and therefore if you don't find what you are looking for, please send us your enquiry and we will respond.
