JADE News 3-2024 Beer & Beverage

Dear Beverage Professional

Sommer season starts to be over here in Northern Hemisphere, and it is time to plan how you manage the next season. JADE has some top condition, lower capacity beer and beverage filling equipment available, some of which are introduced in this JADE News. We have also other equipment, like Kaspar Schulz 30hl and VELO 15hl breweries with tank farms available. These and other equipment you can find our web page

www.jade.fi – welcome to visit it! Give us a call or send us a mail and we will respond, my WhatsApp +358-50-3746777

We welcome you to join our LinkedIn page where we are keeping our followers very updated about our offers and activities. [JADE Trading in LinkedIn](#)
